Retransmitted with compliments:-

20 Copies of Gazette were, as usual, being supplied to International Labour Office, Geneva, prior to the receipt of letter No.G.2549-98/G.M.148-39-5, dated 24th September 1940 from the Development Secretary to Government, directing to stop the supply of Gazette copies to countries outside the British Empire in War Time. Just prior to the receipt of the above communication from Government, two Gazettes were supplied to the International Labour Office to its old address and were returned to this office undelivered, probably due to the change in the location of the office from Geneva to Canada.

21 If it is now directed that copies of Gazette may be sent to that office to its new address, - Montreal, Canada, supply will be arranged for regularly.
